Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (“PRA”), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Appendix F to Rule 15c3-1 (“Appendix F” or “Rule 15c3-1f”) (17 CFR 240.15c3-1f) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (“Exchange Act”). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Appendix F applies to certain members of a class of broker-dealers known as over-the-counter (“OTC”) derivatives dealers. Exchange Act Rule 15c3-1 is the Commission’s net capital rule for broker-dealers.¹ Under Appendix F, an OTC derivatives dealer that is not a security-based swap dealer may apply to the Commission for authorization to compute net capital charges for market and credit risk in accordance with Appendix F in lieu of computing securities haircuts under paragraph (c)(2)(vi) of Exchange Act Rule 15c3-1.²

¹ 17 CFR 240.15c3-1. An OTC derivatives dealer that is also registered as a security-based swap dealer is subject to the net capital provisions of Exchange Act Rule 18a-1 (17 CFR 240.18a-1).

² An OTC derivatives dealer that is also registered as a security-based swap dealer may apply to the Commission for authorization to compute deductions for market and credit risk using models under paragraph (d) of Rule 18a-1.

At present, two OTC derivatives dealers have been approved to use Appendix F. No additional OTC derivatives dealers have applied to use Appendix F, and the staff does not expect that any additional OTC derivatives dealers will apply to use Appendix F during the next three years. The Commission estimates that the two approved OTC derivatives dealers will spend an average of approximately 1,000 hours each per year reporting information concerning their value-at-risk (“VAR”) models and internal risk management systems, for a total annual burden of approximately 2,000 hours.

Written comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION OF THIS NOTICE IN THE *FEDERAL REGISTER*].

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
