Abstract of Proposed Collection

The U.S. Passport Renewal Application for Eligible Individuals (form DS-82) is used by eligible citizens and non-citizen nationals of the United States who need to renew their current or recently expired U.S. passport.

Response to Public Comments

There were no comments submitted in response to the 60-day Notice.

Changes Since Last Renewal

In addition to plain language changes and general format changes, the following content changes have been made to the collection:

The Acts or Conditions statement on the form was revised to add an applicant statement, affirming that he or she is not required to register as a sex offender, in accordance with International Megan's Law (34 U.S.C. 21501 et seq., and 22 U.S.C. 212b). To comply with E.O. 14168, "Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government," the Department updated the form to replace the term "gender" with "sex." The U.S. Passport conforms with the standards set by the E.O. and the International Civil Aviation Organization, which among other things determine the various fields on the passport's biographical data page. Consistent with the E.O., the revised DS-82 will request the applicant's biological sex at birth, male "M" or female "F." Amendments to the fields and instructions (section 3) have been made to reflect this.

Methodology

Passport Services collects information from U.S. nationals when they complete and submit the DS-82. The Department features an online application process called Online Passport Renewal (OPR). Using the online platform, eligible applicants can complete the required steps for passport renewal. Passport applicants can download the DS-82 from the internet or obtain the form from an acceptance facility/passport agency. The form

must be completed, signed, and submitted by mail or in person at an acceptance facility, passport agency, or U.S. embassy/consulate (if abroad).
