In its November 2011 *USF/ICC Transformation Order* (FCC 11-161), the Commission comprehensively reformed and modernized the high-cost program within the universal service fund and, among other things, established the Mobility Fund. The Commission adopted rules in the *USF/ICC Transformation Order* for Mobility Fund Phase I (MF-I), which provided up to \$300 million in one-time universal service support payments to immediately accelerate deployment of mobile broadband services in unserved areas, including annual reporting and record retention requirements for MF-I

support recipients. The Commission also established a separate and complementary one-time Tribal Mobility Fund Phase I (TMF-I) to award up to \$50 million in additional universal service funding to Tribal Areas, including Alaska, to accelerate mobile broadband availability in these remote and underserved areas. In its May 2012 *Third Order on Reconsideration* (FCC 12-52), the Commission revised certain rules adopted in the *USF/ICC Transformation Order*, including the deadline by which MF-I and TMF-I support recipients must file their annual reports pursuant to 47 CFR 54.1009(a). Recipients of MF-I and TMF-I support are required to file annual reports with the Commission on FCC Form 690 demonstrating the coverage provided with support from the Mobility Fund for five (5) years after qualifying to receive support. Documentation prepared for, or in connection with, the award of MF-I and TMF-I support is to be retained by a recipient of such support for a period of not less than ten (10) years after the recipient receives its final disbursement of support. The Commission uses the information collected under this information collection to ensure that each MF-I and TMF-I support recipient is meeting the obligations associated with receiving such support.

The auctions to award MF-I and TMF-I support were held in 2012 and 2014, respectively. Due to the passage of time since support disbursements to MF-I and TMF-I began to be distributed following the conclusion of these auctions, there are no longer any TMF-I support recipients that are still required to file annual reports on FCC Form 690, and there are only a few MF-I support recipients that are still required to file annual reports.

Federal Communications Commission.

Secretary.
