[Docket No. RM24-4-000]

Supply Chain Risk Management Reliability Standards Revisions; Notice of Supply Chain Workshop

Take notice that staff of the Federal Energy Regulatory Commission and the North American Electric Reliability Corporation will hold a joint workshop on March 20, 2025, from 1 p.m. to 5 p.m. at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426.

The workshop will focus on the “assessment” aspect of supply chain risk management (SCRM). Specifically, the workshop panels will discuss the proposed directive in the Commission’s September 19, 2024 Notice of Proposed Rulemaking¹ to require that entities establish steps in SCRM plans to validate the completeness and accuracy of information received from vendors during the procurement process to better inform the identification and assessment of supply chain risks associated with vendors’ software, hardware, or services.

The workshop will take place in a hybrid format, with panelists participating in person and attendees allowed in person or virtually. A detailed agenda and further details on both in-person and virtual attendance will be published in eLibrary prior to the workshop. There is an “eSubscription” link on the Commission’s web site that enables subscribers to receive email notification
