A. Overview of Information Collection

Title of Information Collection: CDBG Urban County Qualification/New York Towns Qualification/Requalification Process, Notice.

OMB Approval Number: 2506-0170.

Type of Request: Reinstatement with change.

Form Number: N/A.

Description of the need for the information and proposed use:

The Housing and Community Development Act of 1974, as amended (the Act), at sections 102(a)(6) and 102(e) requires that any county seeking qualification as an urban county notify each unit of general local government within the county that such unit may elect to have its population excluded from that of the urban county. Section 102(d) of the Act specifies that the period of qualification will be three years. Based on these statutory provisions, counties seeking qualification or requalification as urban counties under the CDBG program must provide information to HUD every three years identifying the units of general local governments (UGLGs) within the county participating as a part of the county for purposes of receiving CDBG funds. The population of UGLGs for each eligible urban county is used in HUD's allocation of CDBG funds for all entitlement and State CDBG grantees.

New York Towns may qualify as metropolitan cities if they are able to secure the participation of all of the villages located within their boundaries. Any New York Town that is located in an urban county may choose to leave that urban county when that county is requalifying. A New York Town will be required to notify the urban county in advance of

its decision to decline participation in the urban county's CDBG program and complete the metropolitan city qualification process.
