

Tiered Pharmacy Copayments for Medications; Calendar Year 2025 Update

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: This Department of Veterans Affairs (VA) notice updates the information on Tier 1 medications.

FOR FURTHER INFORMATION CONTACT: Tamara Wagner, Management Analyst, Office of Finance/Revenue Operations, Veterans Health Administration, Department of Veterans Affairs, 128 Bingham Road, Suite 1000, Asheville, NC 28806; telephone 970-242-0731, extension 2219. (This is not a toll-free telephone number.)

SUPPLEMENTARY INFORMATION: Section 17.110 of title 38, Code of Federal Regulations (CFR), governs copayments for medications that VA provides to veterans. Section 17.110 provides the methodologies for establishing the copayment amount for each 30-day or less supply of medication provided by VA on an outpatient basis (other than medication administered during treatment).

Tier 1 medication means a multi-source medication that has been identified using the process described in 38 CFR 17.110(b)(1)(iv)(A)(1)(i) and (ii). Not less than once per year, VA will identify a subset of multi-source medications as Tier 1 medications. Only medications that meet all the criteria in 38 CFR 17.110(b)(2)(i), (ii), and (iii) will be eligible to be considered Tier 1 medications, and only those medications that meet all the criteria in 38 CFR 17.110(b)(2)(i) will be assessed using the criteria in paragraphs (b)(2)(ii) and (iii).

Based on the methodologies set forth in § 17.110, this notice updates the list of Tier 1 medications for Calendar Year 2025. The Tier 1 medication list is posted on VA's website at the following link: <https://www.va.gov/resources/va-tier-1-copay-medication-list/>.

The following table is the Tier 1 Copay Medication List that is effective January 1, 2025, and will remain in effect until December 31, 2025.

Condition	VA Product Name
Arthritis and Pain	Aspirin buffered tablet Aspirin chewable tablet Aspirin enteric coated tablet Allopurinol tablet Celecoxib capsule Diclofenac tablet Ibuprofen tablet Meloxicam tablet Naproxen tablet
Blood Thinners and Platelet Inhibitors	Clopidogrel Bisulfate tablet
