Abstract: The Schools of National Service initiative, formerly the Segal Education Award Matching Program, helps higher education and post-secondary institutions connect with AmeriCorps alumni. To qualify as a School of National Service, the institution must complete a commitment form, committing to provide one or more incentives to AmeriCorps members and alumni seeking to attend their institution. This collection allows AmeriCorps and the institution to enhance the educational opportunities available

to AmeriCorps alumni because of their service. AmeriCorps is seeking to revise the commitment form to add checkbox options for career and technical education (CTE) and other program types the institution may offer; add checkbox options for whether programs are offered online, in person, or both; and add a field for the institution to indicate whether it offers benefits to senior citizens and at what age eligibility begins. The revision would also delete the entry for the percentage of education award that the institution will match for AmeriCorps alumni it accepts for admission to the institution. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on March 31, 2025.

Acting Senior Advisor for Strategic Partnerships.
