Abstract: The National and Community Service Act of 1990, as amended by the Serve America Act of 2009, requires AmeriCorps grantees and subgrantees to conduct a National Service Criminal History Check on individuals in covered positions before they begin service and to maintain documentation that the individuals were screened according to statutory requirements and are not prohibited from serving in the covered position. AmeriCorps and its grantees must ensure that national service beneficiaries are protected from harm, and the recordkeeping requirements of the final rule are critical to that responsibility. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on 8/31/2025.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of

the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).

Elizabeth Appel,

Acting Deputy General Counsel.
