SUPPLEMENTARY INFORMATION:

Agenda

The Climate and Ecosystem Steering Committee will meet to begin work on any Council tasking related to the New England State of the Ecosystem Report. They will receive updates from the Risk Policy Working Group. The committee will also develop a work plan for its two sub-committees (communication and process mapping). They will also continue to coordinate with NOAA's Climate, Ecosystem, and Fisheries Initiative. Other business will be discussed, if necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Cate O'Keefe, PhD., Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
