As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection

techniques or other forms of information technology, e.g., permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you can ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Abstract: The Department of the Interior (DOI) developed the DI-4016, Request for Individual Access to Records Protected under the Privacy Act, and DI-4017, Consent for Disclosure of Records Protected under the Privacy Act, forms for individuals to submit requests for accessing, and consenting to the disclosure of, records protected under the Privacy Act of 1974, as amended, 5 U.S.C. 552a. The DI-4016, Request for Individual Access to Records Protected under the Privacy Act, form is used by individuals seeking access to their records and any information pertaining to them that are maintained in DOI's systems of records. The DI-4017, Consent for Disclosure of Records Protected under the Privacy Act, form provides written consent of the individual to whom the record pertains when disclosing records to another person or an agency. The Privacy Act provides that "the parent of any minor, or the legal guardian of any individual who has been declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, may act on behalf of the individual." Therefore, these forms may also be used by a parent or legal guardian.

These forms were based on the templates provided in the OMB Memorandum M-21-04, Modernizing Access to and Consent for Disclosure of

Records Subject to the Privacy Act, issued on November 12, 2020, which implements the requirements of the Creating Advanced Streamlined Electronic Services for Constituents Act of 2019 (“CASES Act”). The CASES Act was issued in an effort to modernize the Privacy Act request process by requiring agencies to accept access and consent forms from individuals properly identity-proofed and authenticated remotely through a digital service option in addition to an agency’s existing process. The CASES Act also requires the forms to be posted on the agency website's privacy program page and the website updated to include instructions on how individuals may submit requests digitally.
