Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On March 4, 2025, the petitioner² submitted a timely request that Commerce postpone the preliminary determination in this investigation.³ The petitioner stated that it requested postponement to extend the deadline for the preliminary determination because of the complexity of the issues and number of subsidy programs under investigation.⁴

In accordance with 19 CFR 351.205(e), the petitioner submitted its request for postponement of the preliminary determination in this investigation 25 days or more before the scheduled date of the preliminary determination and stated the reasons for its request. For the reasons stated above, and because there are no compelling reasons to deny the request, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, June 16, 2025.⁵ Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.
