[Project Nos. P-2942-057; P-2984-128]

Presumpscot Hydro LLC and Relevate Power Maine LLC; Notice of Availability of Environmental Assessment

The EA contains Commission staff's analysis of the potential environmental effects of the proposed upgrade to the generating units and construction of a new transformer at the Eel Weir Project and the proposed modifications to the transmission lines at both the Dundee and the Eel Weir projects. The EA also contains alternatives to the proposed action and concludes that the proposed amendment would not constitute a major Federal action that would significantly affect the quality of the human environment.
