Certain Frozen Warmwater Shrimp from India: Rescission of Antidumping Duty Administrative Review, In Part; 2023-2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 9, 2024, the U.S. Department of Commerce (Commerce) initiated an administrative review of the antidumping duty (AD) order on certain frozen warmwater shrimp (shrimp) from India for the period of review (POR) February 1, 2023, through January 31, 2024, for 373 companies. Because all interested parties timely withdrew their requests for administrative review for certain companies, we are rescinding this administrative review, in part, with respect to those companies. In addition, we are also rescinding this administrative review with respect to certain other companies because they had no reviewable entries of subject merchandise during the POR. For a list of the companies for which we are rescinding this review based on timely withdrawals of requests for review, *see* Appendix I to this notice. For a list of the companies for which we are rescinding this review in the absence of suspended entries of subject merchandise during the POR, *see* Appendix II to this notice. For a list of the companies for which the review is continuing, *see* Appendix III to this notice.

DATES: Applicable [Insert date of publication in the *Federal Register*].

[Background](#)

On February 2, 2024, Commerce published in the *Federal Register* a notice of opportunity to request an administrative review of the AD order on shrimp from India for the POR February 1, 2023, through January 31, 2024.<sup>1</sup> In February 2024, Commerce received timely requests, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), to conduct an administrative review of the *Order* from the Ad Hoc Shrimp Trade Action Committee (the petitioner),<sup>2</sup> the American Shrimp Processors Association (ASPA),<sup>3</sup> the U.S. Shrimpers Coalition's (USSC's),<sup>4</sup> and certain individual companies.<sup>5</sup> Based upon these requests, on April 9, 2024, in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), Commerce published a notice of initiation in the *Federal Register* covering 373 companies for which Commerce received timely requests for review.<sup>6</sup>

In July 2024, interested parties timely withdrew their requests for an administrative review of certain companies.<sup>7</sup> However, because there are review requests remaining for each of these companies except those listed in the USSC's withdrawal letter, these companies remain

under administrative review. The companies for which all interested parties withdrew their requests are listed in Appendix I.

### Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. As noted above, certain parties withdrew their requests for review by the 90-day deadline. Accordingly, we are rescinding this administrative review with respect to the companies listed in Appendix I.

Further, pursuant to 19 CFR 351.213(d)(3), Commerce’s practice is to rescind an administrative review of an AD order where it concludes that there were no suspended entries of subject merchandise during the POR.<sup>8</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate for the review period.<sup>9</sup> Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the calculated antidumping duty assessment rate for the review period.<sup>10</sup> Commerce notified all interested parties of its intent to rescind the instant review regarding the companies listed in Appendix II because there were no reviewable, suspended entries of subject merchandise from these companies during the POR and invited interested parties to comment.<sup>11</sup> We received comments from ASPA, which argued that Commerce should not rescind the review

<sup>9</sup> See 19 CFR 351.212(b)(1).

<sup>10</sup> See, e.g., *Shanghai Sunbeauty Trading Co. v. United States*, 380 F. Supp. 3d 1328, 1337 (CIT 2019), at 12 (referring to section 751(a) of the Act, the CIT held: “While the statute does not explicitly require that an entry be suspended as a prerequisite for establishing entitlement to a review, it does explicitly state the determined rate will be used as the liquidation rate for the reviewed entries. This result can only obtain if the liquidation of entries has been suspended”; see also *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2018-2019*, 86 FR 36102, and accompanying Issues and Decision Memorandum at Comment 4; and *Solid Fertilizer Grade Ammonium Nitrate from the Russian Federation: Notice of Rescission of Antidumping Duty Administrative Review*, 77 FR 65532 (October 29, 2012) (noting that “for an administrative review to be conducted, there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate”).

<sup>11</sup> See Memorandum, “Notice of Intent to Rescind Review, In Part,” dated August 7, 2024 (Intent to Rescind Memorandum).

for certain companies listed in the Intent to Rescind Memorandum.<sup>12</sup> As a result, Commerce clarified that we do not intend to rescind the review of Growel Processors Private Limited because this company appears in the CBP Data.<sup>13</sup> However, for other companies listed by ASPA, consistent with our practice, in the absence of any suspended entries of subject merchandise from these companies during the POR, we are rescinding this administrative review for the companies listed in Appendix II, in accordance with 19 CFR 351.213(d)(3).

### Assessment

For the companies for which this review is being rescinded, in part, Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after publication of this notice in the *Federal Register*.

### Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

### Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information

---

<sup>12</sup> See ASPA's Letter, "ASPA's Comments on Intent to Rescind," dated August 16, 2024. Subsequently, we issued a clarification to the Intent to Rescind Memorandum. See Commerce's Memorandum, "Clarification Regarding Intent to Rescind Memorandum," dated August 22, 2024 (Intent to Rescind Clarification Memorandum). As noted in the Intent to Rescind Memorandum, Commerce relies on CBP entry data on U.S. imports of subject merchandise during the POR that it placed on the record for comment when determining whether there are suspended entries.

<sup>13</sup> See Intent to Rescind Clarification Memorandum.

disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with section 751(a)(1) of the Act and 19 CFR 351.213(d)(4).
