SUPPLEMENTARY INFORMATION:

A. Purpose

The information collected is used by PBS to evaluate construction-related actions for approval of the contracting officer as required by the contract. As this information is still currently required, GSA seeks to have this information collection extended for three years.

B. Annual Reporting Burden

Public reporting burden for GSAR 552.236-72, *Submittals*, is estimated to average .50 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and

completing and reviewing the collection of information.

The annual reporting burden is estimated as follows:

Respondents: 995

Responses per respondent: 5

Total annual responses: 4,975

Preparation hours per response: .50

Total response burden hours: 2,488

C. Public Comments

Public comments are particularly invited on: Whether this collection of information is necessary; whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.
