It is the policy of the EWAB to accept written public comments no longer than five (5) pages and to accommodate oral public comments, whenever possible. The EWAB expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. The public comment period for this meeting will take place on July 9, 2025, at a time specified in the meeting agenda. This public comment period is designed only for substantive commentary on the EWAB's work, not for business marketing purposes. The DFO will conduct the meeting to facilitate the orderly conduct of business.

Oral Comments: To be considered for the public speaker list at the meeting, interested parties should register to speak by contacting EWAB@hq.doe.gov no later than 2 p.m. EDT on July 3, 2025. To accommodate as many speakers as possible, the time for public comments will be limited to three (3) minutes per person, with a total public comment period of up to 15 minutes. If more speakers register than there is space available on the agenda, the EWAB will select speakers on a first-come, first-served basis from those who applied. Those not able to present oral comments may always file written comments with the EWAB.

Written Comments: Although written comments are accepted continuously, written comments relevant to the subjects of the meeting should be submitted to EWAB@hq.doe.gov no later than 2 p.m. EDT on July 3, 2025, so that the comments may be made available to the EWAB members prior to this meeting for their consideration. Please note that because EWAB operates under the provisions of FACA, all public comments and related materials will be treated as public documents and will be made available for public inspection, including being posted on the EWAB website.
