The Department of Veterans Affairs (VA) gives notice under the Federal Advisory Committee Act, 5 U.S.C. 10, that a meeting of the Joint Biomedical Laboratory Research and Development (BLR&D) and Clinical Science Research and Development (CSR&D) Services Scientific Merit Review Board will be held July 8, 2025, from 3-5 p.m. EST, via Microsoft Teams. The meeting will be partially closed to the public, with an open portion from 3-3:30 p.m. The closed portion, from 3:30-5 p.m., will be used for scientific review and discussion, examination of, and reference to the research applications. The objective of the Board is to provide for the fair and equitable selection of the most meritorious research projects for support by VA research funds and to offer advice for research program officials on program priorities and policies. The ultimate objective of the Board is to ensure the high quality and mission relevance of VA's legislatively mandated BL/CS Research and Development programs.

Board members will advise the Directors of the BL/CS Research Services, as well as the Acting Chief Research and Development Officer, on the scientific and technical merit, mission

relevance, and protection of human subjects of the proposals submitted to BL/CS. The Board does not consider grants, contracts, or other forms of extramural research.

Members of the public may attend the open portion of the meeting from 3-3:30 p.m. EST, via Microsoft Teams (in listen-only mode, as the time limited agenda does not allow for public comment or presentations).
