#### **Abstract of information available**

Associated funerary objects have been identified totaling 76 catalog entries representing lithics, faunal remains, shell, net sinker, and ground stone artifacts. Of the 76 associated funerary objects, no catalog numbers are missing. These two collections are from Marin County along Highway 1 near Point Reyes Station, Tomales Bay and are housed at Sonoma State University

(SSU). The collections are the result of Caltrans project-delivery related excavations at the following sites between 1999 and 2006: CA-MRN-482/H (Acc. 2022-7); CA-MRN-651 (Acc. 2022-6). There are no known/documented potentially hazardous substances used to treat any of the cultural items.

### **Cultural affiliation**

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

### **Determinations**

Caltrans has determined that:

- The 76 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between associated funerary objects described in this notice and the Federated Indians of Graton Rancheria, California.

### **Requests for Repatriation**

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary objects described in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, Caltrans must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of

the associated funerary objects are considered a single request and not competing requests.

Caltrans is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.
