B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2025-0014**, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the Office of Management and Budget's (OMB's) approval for the information collection summarized as follows.

1. *The title of the information collection:* NRC Form 1121, "Bankruptcy Information Request, Post Filing."

2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.

3. *Type of submission:* New.

4. *The form number, if applicable:* NRC Form 1121.

5. *How often the collection is required or requested:* Once per bankruptcy filing.

6. *Who will be required or asked to respond:* All NRC licensees (i.e., all license categories) who seek bankruptcy protection will be asked to voluntarily respond through NRC Form 1121 submission.

7. *The estimated number of annual responses:* 4.

8. *The estimated number of annual respondents:* 4.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 20.

10. *Abstract:* The NRC intends to collect information regarding radioactive material source security and radiation protection program continuance, as required by license condition and regulation, during the licensee's bankruptcy proceeding duration. This information is being collected to gain assurance that the licensee can comply to source security, license maintenance and other regulatory obligations during the bankruptcy process.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: June 17, 2025.

For the Nuclear Regulatory Commission.

Kristen Benney,
Acting NRC Clearance Officer,
Office of the Chief Information Officer.
