#### **Employment and Training (ETA) Program Year (PY) 2025 Workforce Innovation and Opportunity Act (WIOA) Section 166, Indian and Native American Programs Grantee Allotments**

**AGENCY:** Employment and Training Administration, Labor.

**ACTION:** Notice.

**SUMMARY:** This notice announces allotments for PY 2025 for the Indian and Native American (INA) Programs.

**DATES:** The PY 2025 INA Program allotments become effective for the grant period that begins July 1, 2025. Written comments on this notice are invited and must be received by **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

**ADDRESSES:** Comments are accepted via email to *DINAP@dol.gov*. Please enter “PY25 Indian and Native American Program Allotments Public Comment” in the subject line of the email.

**FOR FURTHER INFORMATION CONTACT:** Stephanie West, Unit Chief in ETA Office of Workforce Investment’s Division of Indian and Native American Programs, at 202-693-3021 (this is not a toll-free number). For persons with a hearing or speech disability who need assistance to use the telephone system, please dial 711 to access telecommunications relay services.

**SUPPLEMENTARY INFORMATION:** This notice is published pursuant to Section 182(d) of the WIOA, Prompt Allotment of Funds. The Department is announcing PY 2025 allotments for the INA Program. This notice provides information on the amount of funds available during PY

2025 to federally recognized Tribes, Tribal controlled non-profit organizations, and Tribal consortiums awarded through the PY 2022 Funding Opportunity Announcement (FOA) for the INA Program workforce development grants. On March 15, 2025, the Full-Year Continuing Appropriations and Extensions Act, 2025 Public Law 119-4 was signed into law (“the Act”). The Act appropriates \$60,000,000 for the WIOA Section 166 INA Comprehensive Services Program (CSP). Of this amount, \$600,000 will be set-aside for compliance training pursuant to 20 CFR 684.270(e). Therefore, the total amount available for the INA CSP is \$59,400,000. This amount will be allocated to INA Program grantees using the formula at 20 CFR 684.270(b).

Section 127(b)(1)(A) of the Act also authorizes up to 1½ percent of the allotment to states for youth workforce investment activities to be reserved for Native American youth activities. For PY 2025 the appropriation for WIOA Youth state activities is \$948,130,000. After reducing the appropriation by \$10,230,000 for set asides authorized by the Act and reserving \$925,200 for Migrant and Seasonal Farmworker Youth, 1½ percent of \$936,974,800 is available for Native American youth activities known as the Supplemental Youth Services Program (SYSP). Accordingly, \$14,054,622 is available for the PY 2025 SYSP and will be allotted to INA Program grantees to provide supplemental services to low-income Native American youth on or near Indian reservations and in Oklahoma, Alaska, and Hawaii. ETA will allocate SYSP funds to WIOA INA Program grantees using the formula described in the WIOA regulations at 20 CFR 684.440.

*Description of Data Files and Allotment Formula.* In PY 2024, the data source to calculate the INA Program annual funding formula was updated from the 2000 Decennial Census Data to the 5-year (2014–2018) American Community Survey (ACS) data for American Indian, Alaska Native, and Native Hawaiians unemployment and poverty data. The WIOA Final Rule at 20 CFR 684.270(b)(3) states that data and definitions used to implement the funding formula are provided by the U.S. Census Bureau. Using these updated data allows the Department to allocate resources more effectively and design programs that are responsive to the

changing needs of the community regarding demographic trends, economic conditions, and other factors. The change in unemployment and poverty counts from the 2000 decennial Census to the 2014-2018 ACS is available at: <https://www.dol.gov/agencies/eta/dinap/census>. In PY 2025, ETA is continuing to use those updated ACS data.

The INA Program funding allotment formula (20 CFR 684.270(b)) states that each INA Program grantee will receive the sum of funds calculated using the following: (1) One-quarter of the funding available will be allocated on the basis of the number of unemployed American Indian, Alaska Native, and Native Hawaiian individuals in the grantee's geographic service area(s) compared to all such unemployed persons in the United States; and (2) Three-quarters of the funding available will be allocated on the basis of the number of American Indian, Alaska Native, and Native Hawaiian individuals in poverty in the grantee's geographic service area(s) compared to all such persons in poverty in the United States.

*Description of the Hold-Harmless Provision.* To minimize program disruptions, and pursuant to WIOA 20 CFR 684.270(c), ETA continues to implement a three-year phase-in or "hold-harmless" methodology to adjust funding allotments resulting from use of the updated population data in the funding formula. The phase-in of updated Census data will prevent drastic losses in grantee funding amounts by limiting grantee losses to five percent in PY 2024, 10 percent in PY 2025 and 20 percent in PY 2026 compared to the grantee's PY 2023 funding level. Accordingly, for PY 2025, ETA will limit grantee funding losses to 10 percent of the grantee's PY 2023 funding amount after adjusting for the change in the PY 2025 funding appropriation amount. In PY 2027, all grantees will receive funding that reflects the full implementation of the 2014-2018 ACS data.

*Funding Allotments.* The WIOA Section 166 INA Program grantee allotments set forth in the Tables appended to this notice reflect the distribution resulting from the allotment formula described above. For purposes of illustrating the effects of the allotment formula and application of the hold-harmless process for the CSP and SYSP, columns 3 through 7 in Tables A and B

show the PY 2023 and PY 2025 dollar amounts, and the percent difference between the PY 2023 and PY 2025 amounts with – and without – the hold-harmless provision. The hold-harmless for PY 2025 “holds” grantee losses to ten percent of their PY 2023 amount, however the last column in the tables show the hold-harmless loss to be slightly more than 10 percent (-10.1% for the CSP and -10.7% for the SYSP). This is due to the change in the appropriation amount and minor adjustments made to the funding formula between 2023 and 2025.
