[OMB Control No. 3235-0391]

Submission for OMB Review; Comment Request; Extension: Form T-6

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form T-6 (17 CFR 269.9) is an application for eligibility for a corporation or other person organized under the laws of a foreign government to act as trustee under an indenture qualified under the Trust Indenture Act of 1939 (15 U.S.C. 77aaa et seq.). Form T-6 provides the basis for determining whether a corporation or other person organized under the laws of a foreign government is eligible to serve as a trustee for a qualified indenture. The information required by Form T-6 is mandatory. This information is publicly available on EDGAR. We estimate that Form T-6 takes approximately 17 hours per response and that there is an average of one response annually. We estimate that 25% of the 17 burden hours per response is prepared by the filer for an internal burden of 4 hours ((0.25 x 17) hours per response x 1 response).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information

to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

The public may view and comment on this information collection request at:
