SUPPLEMENTARY INFORMATION:

Background

On June 11, 2025, Commerce published in the *Federal Register*, *Certain Alkyl Phosphate Esters from the People's Republic of China: Antidumping and Countervailing Duty Orders*.¹ In that notice, we incorrectly stated that the date for the end of provisional measures in the less-than-fair-value (LTFV) investigation was June 2, 2025, rather than June 1, 2025.

Correction

In the *Federal Register* of June 11, 2025, in FR Doc 2025-10630 on page 24581, in the first column, in the second paragraph under the heading “Provisional Measures – AD,” correct the first two sentences to read as follows:

The provisional measures period, beginning on the date of publication of the *LTFV Preliminary Determination*,^{2} ended on June 1, 2025. Therefore, in accordance with section 733(d) of the Act and our practice,³ Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to antidumping duties, unliquidated entries of alkyl phosphate esters from China entered, or withdrawn from warehouse, for consumption after June 1, 2025, the final day on which the provisional measures were in effect, until and through the day preceding the date of publication of the ITC’s final affirmative injury determination in the *Federal Register*.
