

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request; Reinstatement

The Department of Agriculture will submit the following information collection requirement(s) to OMB for review and reinstatement under the Paperwork Reduction Act of 1995, Public Law 104-13 on or after the date of publication of this notice. Comments are requested regarding: (1) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding these information collections are best assured of having their full effect if received by [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE *FEDERAL REGISTER*]. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

National Agricultural Statistics Service (NASS)

TITLE: Organic Survey

OMB CONTROL NUMBER: 0535-0249

SUMMARY OF COLLECTION: The primary objective of the National Agricultural Statistics Service (NASS) is to prepare and issue State and national estimates of crop and livestock production, prices, and disposition as well as economic statistics, farm numbers, land values, on-farm pesticide usage, pest crop management practices, as well as the Census of Agriculture.

Originally, the Organic Survey was designed to be conducted once every five years as a mandatory follow-on-survey to the 2007 Census of Agriculture and then every five years after that.

NEED AND USE OF THE INFORMATION: This collection of data will support requirements within the Agricultural Act of 2014. Under Section 11023 some of the duties of the Federal Crop Insurance Corporation (FCIC) are defined as “(i) IN GENERAL—As soon as possible, but not later than the 2015 reinsurance year, the Corporation shall offer producers of organic crops price elections for all organic crops produced in compliance with standards issued by the Department of Agriculture under the national organic program established under the Organic Foods Production Act of 1990 (7 U.S.C. 6501 et seq.) that reflect the actual retail or wholesale prices, as appropriate, received by producers for organic crops, as determined by the Secretary using all relevant sources of information.

DESCRIPTION OF RESPONDENTS: Farmers and Ranchers
