SUPPLEMENTARY INFORMATION:

Background

The Emerging Technology Technical Advisory Committee (ETTAC) advises and assists the Secretary of Commerce (Secretary) and other Federal officials and agencies with respect to actions designed to carry out the policy set forth in Section 1752 of the Export Control Reform Act. The purpose of the meeting is to have ETTAC members and U.S. Government representatives mutually review updated technical data and policy-driving information that has been gathered.

Agenda

The open session will include open business discussions and industry presentations. The closed session will include discussion of matters determined to be exempt from the open meeting and public participation requirements found in Sections 1009(a)(1) and 1009(a)(3) of the Federal Advisory Committee Act (FACA) (5 U.S.C. 1001-1014). The exemption is authorized by Section 1009(d) of the FACA, which permits the closure of advisory committee meetings, or portions thereof, if the head of the agency to which the advisory committee reports determines such meetings may be closed to the public in accordance with subsection (c) of the Government in the Sunshine Act (5 U.S.C. 552b(c)). In this case, the applicable provisions of 5 U.S.C. 552b(c) are subsection 552b(c)(4), which permits closure to protect trade secrets and commercial or financial information that is privileged or confidential, and subsection 552b(c)(9)(B), which permits closure to protect information that would be likely to disclose information the premature disclosure of which would be likely to significantly frustrate implementation

of a proposed agency action. The closed session of the meeting will involve committee discussions and guidance regarding U.S. Government strategies and policies.

Open Session Attendance:

The open session will be accessible via teleconference. Registration in advance is required to receive the meeting invite for virtual attendance. Individuals interested in participating virtually should contact TAC@bis.doc.gov no later than 11:59 p.m. Eastern Time on July 29, 2025. A limited number of seats will be available for members of the public to attend the open session in person on a first-come basis. Reservations to attend in person are not accepted. Registration in advance is not required for in-person attendance, but you will be asked to sign an attendance log when you arrive.

Special Accommodations:

Individuals requiring special accommodations to access the open session should contact TAC@bis.doc.gov no later than 11:59 p.m. Eastern Time on July 25, 2025, so that appropriate arrangements can be made.

Public Participation:

To the extent that time permits, members of the public may present oral statements to the ETTAC. The public may submit written statements at any time before or after the meeting. However, to facilitate distribution of materials to the ETTAC members, the ETTAC suggests that members of the public forward their materials prior to the meeting via email to TAC@bis.doc.gov. Materials submitted by the public will be made public and therefore should not contain confidential information. Materials submitted by the public will be accessible via the Technical Advisory Committee (TAC) site at <https://tac.bis.doc.gov>, within 30 days after the meeting.

Closure Determination:

The Deputy Assistant Secretary for Administration, performing the non-exclusive functions and duties of the Chief Financial Officer and Assistant Secretary for Administration, with the concurrence of the delegate of the General Counsel, formally determined pursuant to 5 U.S.C. 1009(d), that the portion of the meeting dealing with pre-decisional changes to the Commerce Control List and the U.S. export control policies shall be exempt from the provisions relating to public meetings found in 5 U.S.C. 1009(a)(1) and 1009(a)(3). The remaining portions of the meeting will be open to the public.
