NEEDS AND USES: The information collection is necessary to obtain non-active-duty TRICARE beneficiary's personal information, which is needed to (1) Complete enrollment into TRICARE Prime health plan, (2) change the beneficiary's enrollment (new Primary Care Manager, enrolled region, add/drop a dependent, etc.), or (3) disenroll the beneficiary. This information is required to ensure the beneficiary's benefits and claims are administered based on their plan of choice. Without this information, each non-active-duty TRICARE beneficiary is automatically defaulted into direct care only, limiting their health care options to military hospitals and clinics. These beneficiaries would have no TRICARE coverage when using the TRICARE network of providers for services not available at their local military hospital or clinic.
