SUMMARY: The Department of Labor (DOL) is submitting this Employment and Training Administration (ETA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. SUPPLEMENTARY INFORMATION: Section 303(a)(6), SSA, requires, as a condition of receiving administrative grants, that state law contain provision for the "making of such reports, in such form and containing such information, as the Secretary of Labor may from time to time require, and compliance with such provisions as the Secretary of Labor may from time to time find necessary to ensure the correctness and verification of such reports." Departmental regulations at 20 CFR 601.3 in part implement this requirement by requiring the submission of "all relevant state materials, such as statutes, executive and administrative orders, legal opinions, rules, regulations, interpretations, court opinions, etc. . . ." Also, the regulations for the UC for

Federal Civilian Employees (UCFE) program at 20 CFR 609.1(d)(1) and for the UC for ex-service members (UCX) program at 20 CFR 614.1(d)(1) require submission of certain documents to assure that states are properly administering these programs. The Trade Adjustment Assistance (which includes Trade Readjustment Allowances) program (TAA/TRA) regulations provide similar requirements at 20 CFR 617.52(c)(1).

The MA 8-7 is the mechanism for implementing these submittal requirements, the purpose of which is to provide the Secretary with sufficient information to determine if (a) employers in a state qualify for tax credits under the Federal Unemployment Tax Act; (b) the state meets the requirements for obtaining administrative grants under Title III, SSA; and (c) the state is fulfilling its obligations under Federal UC programs. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on March 11, 2025 (90 FR 11749).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.
