Abstract of information available

A total of two cultural items have been requested for repatriation. The two sacred objects/objects of cultural patrimony are one woven basket with a lid and one without and were donated to BSU by a private donor in 1989 and 1990, respectively. Records indicate the 1989 basket was from the Northwest Coast, and the 1990 basket originated in the Klamath River region of Oregon. There are no institutional records indicating the application of any potentially hazardous substances used to treat the cultural items, however, XRF testing confirmed the

presence of potentially hazardous substances.

Determinations

BSU has determined that:

- The two sacred objects/objects of cultural patrimony described in this notice are, according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization, specific ceremonial objects needed by a traditional Native American religious leader for present-day adherents to practice traditional Native American religion, and have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision).
- There is a reasonable connection between the cultural items described in this notice and the Modoc Nation.

Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, BSU must determine the most appropriate requestor prior to repatriation.
