

DEPARTMENT OF JUSTICE

[OMB Number 1105-0052]

Agency Information Collection Activities; Proposed eCollection eComments Requested; Reinstatement of a Currently Approved Collection; Emergency Clearance for an Existing Collection; Claims Under the Radiation Exposure Compensation Act

AGENCY: Civil Division, Department of Justice.

ACTION: Emergency Clearance Notice and request for comments.

SUMMARY: The Department of Justice (DOJ), Civil Division, will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments on this proposal for emergency review should be received within **[INSERT DATE 10 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

We are requesting OMB to take action within 10 calendar days from the close of this Federal Register Notice on the request for emergency review. This process is conducted in accordance with 5 CFR 1320.1

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Jason C. Bougere, U.S. Department of Justice, P.O. Box 146, Ben Franklin Station, Washington, D.C. 20044-014, at (202) 307-2737 or Jason.c.bougere@usdoj.gov

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Civil Division, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Abstract: Information collection form for individuals applying for compensation under the Radiation Exposure Compensation Act.

Overview of this information collection:

1. Type of Information Collection: Extension of a previously approved collection.
2. Title of the Form/Collection: Claims Under the Radiation Exposure Compensation Act.
