Abstract of information available

A total of one cultural item has been requested for repatriation. The one object of cultural patrimony is a pottery sherd that was removed from the Rincon Indian Reservation in San Diego County, California, by Lewis K. Napton with the Institute for Archeological Research, California State College, Stanislaus (Stanislaus State). The archeological survey was conducted in search of evidence of cultural resources in preparation for housing construction on the Reservation as

requested by the All Mission Indian Housing Authority (AMIHA), Valley Center, California. The pottery sherd has since been housed at Stanislaus State and was never officially accessioned by the university. Stanislaus State continues to search for any additional items that were removed from the Rincon Indian Reservation to support their repatriation to the Tribe.

Determinations

The BIA, in consultation, has determined that:

- The one object of cultural patrimony described in this notice has ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a connection between the cultural item described in this notice and the Rincon Band of Luiseno Mission Indians of Rincon Reservation, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural item in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural item in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, the BIA must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural item are considered a single request and not competing requests. The BIA is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
