This process is conducted in accordance with 5 CFR 1320.8. Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Application for Foreign-Trade Zone Admission and/or Status Designation, and Application for Foreign-Trade Zone Activity Permit.

OMB Number: 1651-0029

Form Number: N/A

Current Actions: Extension without change

Type of Review: Extension (without change)

Affected Public: Businesses

Abstract: Foreign trade zones (FTZs) are geographical enclaves located within the geographical limits of the United States, but for tariff purposes are considered to be outside of the United States. Imported merchandise may be brought into FTZs for storage, manipulation, manufacture, or other processing and subsequent removal for exportation, consumption in the United States, or destruction. A company bringing goods into an FTZ has a choice of zone status (privileged/non-privileged foreign, domestic, or zone-restricted), which affects the way such goods are treated by Customs and Border Protection (CBP) and treated for tariff purposes upon entry into the customs territory of the United States.

CBP Forms 214, 214A, 214B, and 214C, which make up the Application for Foreign-Trade Zone Admission and/or Status Designation, are used by companies that bring merchandise, except in certain circumstances including, but not limited to, domestic status merchandise, into an FTZ to register the admission of such merchandise into FTZs and to apply for the appropriate zone status. Form 214A is not filled out separately by respondents; it is simply a copy of Form 214 that CBP gives to the Census Bureau. Form 214B is a continuation sheet for Form 214 that respondents use when they need more room to add line items to the form. Form 214C is a continuation sheet for Form 214A that respondents use when they need more room to add line items to the form.

CBP Form 216, Foreign-Trade Zone Activity Permit, is used by companies to request approval to manipulate, manufacture, exhibit, or destroy merchandise

in an FTZ.

These FTZ forms are authorized by 19 U.S.C. 81 and provided for by 19 CFR 146.22, 146.32, 146.35, 146.36, 146.37, 146.39, 146.40, 146.41, 146.44, 146.52, 146.53, and 146.66. These forms are accessible at:
