**SUPPLEMENTARY INFORMATION:** Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Abstract: The Drug Enforcement Administration (DEA) collects information regarding mail order transactions conducted between a person regulated by the agency and a nonregulated person (that is, someone who does not further distribute the product) involving the chemicals ephedrine, pseudoephedrine, and phenylpropanolamine. Transactions must use, or attempt to use, the United States Postal Service or any private or commercial carrier.
