ACTION: Direct final rule; withdrawal.

SUMMARY: The U.S. Department of Energy (“DOE” or “the Department”) is withdrawing the May 16, 2025, direct final rule (“DFR”) published at 90 FR 20786. DOE is exercising its discretion to withdraw and terminate this rulemaking. This withdrawal action does not preclude DOE from proposing regulatory changes in the future, including proposing a rule(s) that may be substantially identical or similar to those previously proposed.

DATES: As of **[INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER]**, the DFR published in the *Federal Register* on May 16, 2025 at 90 FR 20786, and delayed at 90 FR 31141 (July 14, 2025) is withdrawn.

SUPPLEMENTARY INFORMATION:

The May 16, 2025 DFR rescinded a provision in 10 CFR 1042.450 that requires certain funding recipients that sponsor sports teams for members of one sex to allow members of the opposite sex to try out for them. The Department has decided to focus its limited resources on advancing other priorities.

This withdrawal action does not preclude DOE from proposing regulatory changes in the future, including proposing a rule(s) that may be substantially identical or similar to those previously proposed. Accordingly, DOE withdraws the May 16, 2025, DFR.
