Okechamp B.V.	0.44

Disclosure

Commerce intends to disclose the calculations and analysis performed to interested parties for these preliminary results within five days after public announcement or, if there is no public announcement, within five days after the date of publication of this notice in the *Federal Register*, in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.⁹ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.¹⁰ Interested parties who submit case or rebuttal briefs in this proceeding must submit: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹¹

⁹ See 19 CFR 351.309.

¹⁰ See 19 CFR 351.309(d); *see also* *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Final Service Rule*).

¹¹ See 19 CFR 351.309(c)(2) and (d)(2).

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this administrative review, we instead request that interested parties provide at the beginning of their briefs a public executive summary for each issue raised in their briefs.¹² Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Hearing requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the respective case briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a date and time to be determined and will notify the parties through ACCESS.¹⁴ Parties should confirm the date, time, and location of the hearing two days before the scheduled date. All submissions, including case and rebuttal briefs, as well as hearing requests, should be filed using ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time on the established deadline.

Assessment Rates

¹² We use the term "issue" here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

¹³ See *APO and Service Final Rule*.

¹⁴ See 19 CFR 351.210(d).

Upon completion of the administrative review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.¹⁵ Commerce intends to issue assessment instruction to CBP no earlier than 35 days after the date of publication of the final results in the *Federal Register*. For Okechamp, whose weighted-average dumping margin is not zero or *de minimis* (*i.e.*, less than 0.50 percent), we will calculate importer- (or customer-) specific per-unit AD assessment rates by dividing the total amount of dumping calculated for the examined sales made to that importer (or customer) by the total quantity associated with those sales. To determine whether an importer-specific, per-unit assessment rate is *de minimis*, in accordance with 19 CFR 351.106(c)(2), we also will calculate an importer-specific *ad valorem* ratio based on estimated entered values.

The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.¹⁶

If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19

¹⁵ See 19 CFR 351.212(b)(1)

¹⁶ See section 751(a)(2)(C) of the Act.

CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the producer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate established in the less-than-fair-value investigation (*i.e.*, 132.97 percent).¹⁷

Based on an analysis of Okechamp's submitted entered value data, we have determined that there is a substantial difference between Okechamp's net unit price for its entries of mushrooms and the entered value reported to CBP. While Commerce normally directs CBP to collect cash deposits on an *ad valorem* basis, we are not required to do so by statute or by our regulations and have in the past used quantity-based rates where appropriate.¹⁸ As such, we intend to direct CBP to collect cash deposits from Okechamp on a per-unit basis upon completion of the final results of this review. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply

¹⁷ See *Order*, 88 FR at 33097.

¹⁸ See, *e.g.*, *Freshwater Crawfish Tail Meat from the People's Republic of China; Notice of Final Results of Antidumping Duty Administrative Review, and Final Partial Rescission of Antidumping Duty Administrative Review*, 67 FR 19546, 19549 (April 22, 2002); *Antifriction Bearings (Other Than Tapered Roller Bearings) and Parts Thereof from France, Germany, Italy, Japan, Sweden, and the United Kingdom; Final Results of Antidumping Duty Administrative Reviews and Revocation of Orders in Part*, 66 FR 36551 (July 12, 2001); *Honey from the People's Republic of China: Final Results and Final Rescission, In Part, of Antidumping Duty Administrative Review*, 70 FR 38873 (July 6, 2005); and *Fresh Garlic from the People's Republic of China: Final Results of Antidumping Duty Administrative Review*, 70 FR 34082 (June 13, 2005).

with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4) and 19 CFR 351.213d(4).
