Information Collection Request; In-Person and Online Registration for FSA-hosted Events and Conferences

AGENCY: Farm Service Agency, USDA.

ACTION: Notice; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Farm Service Agency (FSA) is requesting comments from all interested individuals and organizations on a revision and an extension of the information collection associated with online and in-person registration for FSA-hosted events and conferences. The information collection is needed for FSA to obtain information from the respondents who register on the Internet to access and make preparation for participation in events, and when necessary, to make payment and reservations to attend any FSA-hosted conferences and events. Additionally, the demographic data collected through this information collection assists FSA in monitoring its outreach and engagement of farmers and ranchers.

DATES: We will consider comments that we receive by **[INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**.

ADDRESSES: We invite you to submit comments on the information collection request. You may submit comments by any of the following methods, although FSA prefers that you submit comments electronically through the Federal eRulemaking Portal:

- Federal eRulemaking Portal: Go to <http://www.regulations.gov> and search for Docket ID FSA–2025-0169. Follow the online instructions for submitting comments.

- Mail, Hand-Delivery, or Courier: Farm Service Agency, USDA, Outreach Office, 1400 Independence Avenue, Mail Stop 0539, SW, Washington, DC 20250. In your comment, specify the docket ID FSA–2025-0169.

All comments will be posted without change and publicly available on [http:// www.regulations.gov](http://www.regulations.gov).

SUPPLEMENTARY INFORMATION:

Title: In-Person and Online Registration for FSA-hosted Events and Conferences.

OMB Control Number: 0560–0226.

Expiration Date of Approval: December 31, 2025.

Type of Request: Revision and Extension of a currently approved information collection.

Abstract: The collection of information is needed for FSA to obtain information from the respondents who register on the Internet to access participation in events, and when necessary, to make payment and reservations to attend any FSA-hosted conferences and events. They can register on FSA’s Online Registration site on the Internet. Respondents who do not have access to the Internet can register by mail or fax. The information is collected by the FSA employees who host the conferences and events. FSA is collecting common elements from interested respondents such as name, organization, address, country, phone number, email address, State, city or town, payment options (credit card, check), special accommodations requests and how the respondent learned of the conference. The information collection element may also include veteran status and new farmer status. The respondents are mainly individuals

who will attend the FSA-hosted conferences or events. The information is primarily used to assess attendance and assist FSA staff in preparations to serve individuals registering to attend online or in person events. If applicable, the information collection may be used to collect payment from the respondents and make hotel reservations and other special arrangements as necessary. Demographic information obtained through registration is voluntary and is used to monitor FSA's outreach and engagement of farmers and ranchers. This information is not used to evaluate any FSA program application and choosing not to provide this information will not affect the application process for any individual applying to an FSA program.

The burden hours is 41,250 hours due to the revamped and improved registration format. FSA intends to use web based registrations for events, but will obtain manual registration at events for those without access to internet or a smart device. . The number of respondents and responses remains at 550,000. For the following estimated total annual burden on respondents, the formula used to calculate the total burden hour is the estimated average time per responses hours multiplied by the estimated total annual of responses.

Estimate of Annual Burden: Public reporting burden for this collection of information is estimated to average 0.075 hours per response. (4.5 minutes).

Type of Respondents: Individuals, Business or other for-profit, non-for-profit institutions, Farms, Federal Government, State, Local, or Tribal Government.

Estimated Number of Respondents: 550,000.

Estimated Annual Number of Responses per Respondent: 1.

Estimated Total Annual of Responses: 550,000.

Estimated Average Time per Responses: 0.075 hours

Estimated Total Annual Burden on Respondents: 41,250 hours.

We are requesting comments on all aspects of this information collection to help us to:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of FSA, including whether the information will have practical utility;

(2) Evaluate the accuracy of FSA's estimate of burden including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected;

(4) Minimize the burden of the collection of information on those who are to respond, including using appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

All responses to this notice, including name and addresses when provided, will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.
