Abstract: Imported merchandise which is to remain in the customs territory for a period of one year or less without the payment of duties with the intent to

The period of time may be extended for not more than two further periods of 1 year each, or such shorter periods as may be appropriate. An Extension may be granted by CBP, upon written or electronic submission of a CBP Form 3173, provided that the articles have not been exported or destroyed before receipt of the application, and liquidated damages have not been assessed under the bond before receipt of the application. CBP Form 3173 is provided for in 19 CFR 10.37 and is accessible at:

<https://www.cbp.gov/newsroom/publications/forms?title=3173>.

Under the National Customs Automation Program (NCAP) concerning document imaging, certain Automated Commercial Environment (ACE) participants are able to submit electronic images of a specific set of CBP and Participating Government Agency (PGA) forms and supporting information to CBP through the Document Image System (DIS). Specifically, importers and brokers, are allowed to submit official CBP documents and specified PGA forms via the Electronic Data Interchange (EDI).

Although the first phase of the DIS test was limited to certain CBP and PGA forms, subsequent deployment phases of DIS will incorporate additional forms and these other forms may be referenced in the DIS implementation
