SUPPLEMENTARY INFORMATION:

Background

On July 28, 2025, Commerce published the *Preliminary Results* and invited interested parties to comment.¹ No interested party submitted comments on the *Preliminary Results*.

¹ See *Large Diameter Welded Pipe from the Republic of Türkiye: Preliminary Results and Rescission, in Part, of Antidumping Duty Administrative Review; 2023–2024*, 90 FR 35500 (July 28, 2025) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

Scope of the Order²

The merchandise covered by the *Order* is welded pipe from Türkiye. For a complete description of the scope of the *Order*, see the *Preliminary Results* PDM.

Rate for Company Not Selected for Individual Examination

The Act and Commerce's regulations do not address the rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair value (LTFV) investigation, for guidance when calculating the rate for companies which were not selected for individual examination in an administrative review. Under section 735(c)(5)(A) of the Act, the all-others rate is normally an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely on the basis of facts available.

Where the weighted-average dumping margins for individually examined respondents are zero, *de minimis*, or determined based entirely on facts available, section 735(c)(5)(B) of the Act provides that Commerce may use "any reasonable method to establish the estimated all-others rate for exporters and producers not individually investigated..." In this review, we calculated a weighted-average dumping margin for HDM Celik Boru Sanayi Ve Ticaret A.S (HDM Celik) of zero percent. Therefore, consistent with our practice, we assigned a rate of zero percent to Emek Boru Makine Sanayi ve Ticaret A.S. (Emek Boru), the company not selected for individual examination in this review, in accordance with section 735(c)(5)(B) of the Act.

Final Results of Review

² See *Large Diameter Welded Pipe from the Republic of Turkey: Amended Final Affirmative Antidumping Duty Determination and Antidumping Duty Order*, 84 FR 18799 (May 2, 2019); and *Large Diameter Welded Pipe from the Republic of Turkey: Notice of Court Decision Not in Harmony With Amended Final Determination in the Less-Than-Fair-Value Investigation; Notice of Amended Final Determination Pursuant to Court Decision; and Notice of Revocation of Antidumping Duty Order, in Part*, 85 FR 35262 (June 9, 2020) (*Amended Final Determination*) (collectively, *Order*).

For these final results, we determine that the following estimated weighted-average dumping margin exists for the period May 1, 2023, through April 30, 2024:

Producer/Exporter	Weighted-Average Dumping Margin (percent)
HDM Celik Boru Sanayi Ve Ticaret A.S. ³	0.00
Emek Boru Makine Sanayi ve Ticaret A.S.	0.00

Disclosure

Normally, Commerce will disclose to the parties in a proceeding the calculations performed in connection with the final results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final results in the *Federal Register*, in accordance with 19 CFR 351.224(b). However, because we have made no changes from the *Preliminary Results*, there are no new calculations to disclose.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Commerce calculated a weighted-average dumping margin for HDM Celik of zero percent in this review. Accordingly, we intend to instruct CBP to liquidate the appropriate entries without regard to antidumping duties. For entries of subject merchandise during the POR produced by HDM Celik for which HDM Celik did not know its merchandise was destined for

³ This rate also applies to HDM Spiral Kaynakli Celik Boru A.S., the English name of which is HDM Spirally Welded Steel Pipe Inc.

the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate in the *Amended Final Determination* of the LTFV investigation (*i.e.*, 1.57 percent),⁴ if there is no rate for the intermediate company(ies) involved in the transaction.⁵

For Emek Boru, the company that was not selected for individual examination, we have assigned it the weighted-average dumping margin calculated for HDM Celik (*i.e.*, zero percent). Accordingly, we will instruct CBP to liquidate suspended entries during the POR for Emek Boru without regard to antidumping duties.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the *Federal Register* of these final results of administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the companies listed above will be equal to the weighted-average dumping margin established in these final results of this administrative review; (2) for previously investigated or reviewed companies not covered in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the LTFV investigation, but the producer is, then the cash deposit rate will be the cash deposit rate established for the most recently completed segment for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers and exporters will continue to be 1.57 percent, the all-others rate established in the *Amended Final Determination*.⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

⁴ See *Amended Final Determination*, 85 FR at 35263.

⁵ See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

⁶ See *Amended Final Determination*, 85 FR at 35263.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice serves as the only reminder to parties subject to an APO of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties
