#### Final Rescission of Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce’s practice to rescind an administrative review of an AD order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>8</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.<sup>9</sup> Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the AD assessment rate calculated for the review period.<sup>10</sup>

On May 15, 2025, we issued our intent to rescind, in part, this administrative review for the following two companies: (1) F.A.R. Fonderie Acciaerie S.p.A; and (2) Officine Tecnosider.<sup>11</sup> The POR entry totals reflected in the Attachment of the CBP Data Memorandum reflected no POR entries of subject merchandise from these companies.<sup>12</sup> We invited parties to comment, and we received no comments. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review for these two companies, in accordance with 19 CFR 351.213(d)(3).

#### Final Results of Administrative Review

As a result of this review, we determine the following weighted-average dumping margins exist for the period May 1, 2023, through April 30, 2024:

## Disclosure

Commerce intends to disclose the calculations performed in connection with these final results of review to interested parties within five days after public announcement of the final results or, if there is no public announcement, within five days of the date of publication of the notice of final results in the *Federal Register*, in accordance with 19 CFR 351.224(b).

## Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), Commerce has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those sales. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific assessment rate is *de minimis* (*i.e.*, less than 0.5 percent), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by NVR and MTS for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate established in the less-than-fair-value (LTFV) investigation of 6.08 percent *ad valorem*,<sup>14</sup> if there is no rate for the intermediate company(ies) involved in the transaction.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the *Federal Register*. If a timely

See *Preliminary Results* PDM at 8; see also Memorandum, "Preliminary Affiliation and Collapsing Memorandum for Metinvest Trametel S.p.A.," dated May 8, 2025. summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

Upon publication of this notice in the *Federal Register*, the following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2) of the Act: (1) the cash deposit rate for the company subject to this review will be equal to the weighted-average dumping margin established in these final results of the review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the LTFV investigation, but the producer has been covered in a prior completed segment of this proceeding, then the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 6.08 percent, the all-others rate established in the LTFV investigation for this proceeding.<sup>15</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.
