AGENCY: Federal Bureau of Investigation, Department of Justice.

ACTION: 60-day notice.

SUMMARY: The Department of Justice (DOJ), Federal Bureau of Investigation (FBI), Critical Incident Response Group (CIRG), will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995.

DATES: Comments are encouraged and will be accepted for 60 days until [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

FOR FURTHER INFORMATION CONTACT: If you have additional comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Nathan Graham, Program Manager, Federal Bureau of Investigation, Critical Incident Response Group, FBI Academy, Quantico, VA 22135, (703) 632-4309, nsgraham@fbi.gov.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Federal Bureau of Investigation, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Abstract: ViCAP is a unit of the Federal Bureau of Investigation (FBI) responsible for the analysis of serial violent and sexual crimes. The ViCAP National Crime Database maintains the largest investigative repository of major violent crime cases in the U.S. It is designed to collect and analyze information about Homicides (and attempts) that are known or suspected to be part of a series and/or are apparently random or sexually oriented; Sexual Assaults that are known or suspected to be part of a series and/or are committed by a stranger; Missing Persons where the circumstances indicate a strong possibility of foul play and the victim is still missing; and Unidentified Human Remains where the manner of death is known or suspected to be homicide.
