Public Facilities has requested from the FAA that a portion
of airport property be released from FAA grant obligations

determined that the release of the property will not impact
future aviation needs at the airport. The FAA may approve
the request, in whole or in part, no sooner than 30 days
after the publication of this notice.

The release of federal obligations for the seawall is being
proposed for no fee. The airport will benefit from the

Revenue, published in the Federal Register on February 16,
1999 (64 FR 7696).
