A total of one cultural item has been requested for repatriation. The one unassociated funerary object is a dark gray stone Zoomorph. Consultation with the Wiyot Tribe, California and museum records indicate that the item was found in a burial site on Tuluwat Island, the traditional homelands of the Wiyot people in Northern California, and identify the Zoomorph as culturally affiliated with the Wiyot Tribe. The item was donated to the museum by Nelson Rockefeller in 1979.
