To ensure sufficient time for all agency reviews, including NACIQI questions and discussion, the Department requests that the agencies limit their opening statements to 10 minutes (total for one or more statements), and that the agencies avoid extended discussions about agency representatives and their backgrounds. Following the brief opening statement, the agency's presentation should focus on the regulatory criteria, and in particular, responses to areas where the staff has recommended a finding of noncompliance or substantial compliance, or where other concerns have been raised that the agency would like to address. However, the agency should expect that questions from NACIQI members may focus on other areas.
