

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree under the Comprehensive Environmental Response, Compensation, and Liability Act

On November 4, 2025, the Department of Justice lodged a proposed consent decree with the United States District Court for the Northern District of New York in the lawsuit entitled *U.S. v. Hauler's Facility LLC, et al.*, Civil No. 5:25-cv-01551.

In that action, the United States sought, pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. § 9601, *et seq.*, recovery of response costs regarding the Ley Creek Deferred Media Operable Unit ("Site") of the Onondaga Lake Superfund Site in Salina and Dewitt, Onondaga County, New York. The proposed consent decree will require 16 settling defendants to make individual payments totaling \$2,170,916. From these proceeds, \$200,000 will be paid to three entities that succeeded General Motors under a 2011 consent decree in the General Motors bankruptcy matter and the rest, including accrued interest, will be paid to the U.S. Environmental Protection Agency for its past and future response costs at the Site.
