POLICY JUSTIFICATION

Israel – M1148A1P2 Family of Medium Tactical Vehicles

The Government of Israel has requested to buy additional modified M1148A1P2 Family of Medium Tactical Vehicles (FMTV) Load Handling System (LHS) 8-ton cargo trucks that will be added to a previously-implemented Foreign Military Sales (FMS) case whose value was under the congressional notification threshold. The original FMS case, valued at \$62.4 million (\$0 in Major Defense Equipment (MDE)), included modified M1148A1P2 FMTV LHS 8-ton cargo trucks and support. This notification is for the combined total of modified M1148A1P2 FMTV LHS 8-ton cargo trucks. Also included are armor b-kits; corrosion protection; special tools and test equipment; integration and test support; spare and repair parts; software delivery and support; publications and technical documentation; personnel training and training equipment; U.S. Government and contractor engineering, technical, and logistics support services; storage; and other related elements of logistics and program support. The estimated total cost is \$583.1 million.

The United States is committed to the security of Israel, and it is vital to U.S. national interests to assist Israel to develop and maintain a strong and ready self-defense capability. This proposed sale is consistent with those objectives.

The proposed sale will improve Israel's capability to meet current and future threats, strengthen its homeland defense, and serve as a deterrent to regional threats. Israel will have no difficulty absorbing these articles and services into its armed forces.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractor will be the Oshkosh Corporation, located in Oshkosh, WI. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will not require the assignment of any additional U.S. Government or contractor representatives to Israel.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
