Primary: Business or other for-profit; Not-for-profit institutions. The U.S. Immigration and Customs Enforcement Mutual Agreement Between Government and Employers (IMAGE) program is the outreach and education component of the Homeland Security Investigations (HSI) Worksite Enforcement (WSE) program. IMAGE is designed to build cooperative relationships with the private sector to enhance compliance with immigration laws and reduce the number of unauthorized

aliens within the American workforce. Under this program ICE will partner with businesses representing a cross-section of industries. A business will initially complete and prepare an IMAGE application so that ICE can properly evaluate the company for inclusion in the IMAGE program. The information provided by the company plays a vital role in determining its suitability for the program. While 8 U.S.C. 1324(a) makes it illegal to knowingly employ a person who is not in the U.S. legally, there is no requirement for any entity in the private sector to participate in the program and the information obtained from the company should also be available to the public.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 66 responses at 90 minutes (1.5 hours) per response.

(6) An estimate of the total public burden (in hours) associated with the collection: The total estimated annual hour burden is 99 hours.

Dated: November 19, 2025.
