Overview of this information collection:

1. Type of Information Collection: New Collection
2. Title of the Form/Collection: Optional Flexible Financial Assistance Survey
3. Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: 1122-XXXX. U.S. Department of Justice, Office on Violence Against Women

4. Affected public who will be asked or required to respond, as well as a brief abstract: The affected public includes grantees under OVW’s Financial Assistance Program and recipients of flexible financial assistance distributed by those grantees. The survey will ask limited questions about how and when survivors of domestic violence, sexual assault, dating violence and stalking received flexible financial assistance, as well as information about the impact of financial assistance in pursuing safety and security for themselves and their families. This data will inform future programming and provide information about the effectiveness of OVW-funded financial assistance for victims to Congress and other stakeholders. The survey is optional.
5. An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: It is estimated that it will take approximately 2,600 respondents approximately 10 minutes to complete the optional survey.
6. An estimate of the total public burden (in hours) associated with the collection: The total annual hour burden to complete the data collection forms is 433 hours. OVW anticipates that 13 grantees will administer this survey to an annual average of 200 people who receive flexible financial assistance. Two hundred participants each at 13 sites totals 2,600 people completing the survey each year. If it takes 10 minutes to complete the survey, then that is 26,000 minutes annually, which is approximately 433 hours.
7. An estimate of the total annual cost burden associated with the collection, if applicable: The annualized cost to the Federal Government resulting from the OVW staff review of the survey is estimated to be \$24,556.
8. Total Burden Hours
