DATES: The meeting is scheduled for Thursday, January 29, 2026 from 10:00 am to 11:00 am (Eastern time).

SUPPLEMENTARY INFORMATION: Background: FASTA created the PBRB as an independent Board to identify opportunities for the Federal government to significantly reduce its inventory of civilian real property and thereby reduce costs. The Board is directed, within 6 months of its formation, to recommend to the Office of Management and Budget (OMB) the sale of not fewer than five properties not on the list of surplus or excess with a fair market value of not less than \$500 million and not more than \$750 million. The Board, to date, has submitted three rounds of recommendations. The Thomas R. Carper Water Resources Development Act of 2024 (WRDA) extended the Board to December 31, 2026 and allows for the submission of one additional round of recommendations (Round 3).

Format and Registration: The format for the meeting will be panel discussions with appropriate time allowed for a Q&A segment. Participants may also view the meeting virtually. Interested participants must register for the public meeting via this link:
