### **Federal Energy Regulatory Commission**

**[Docket No. CP26-24-000]**

### **Texas Eastern Transmission, LP; Notice of Application and Establishing Intervention Deadline**

Take notice that on November 13, 2025, Texas Eastern Transmission, LP (Texas Eastern, 915 North Eldridge Parkway, Suite 1100, Houston, Texas 77079-2703, filed an application pursuant to sections 7(b) and 7(c) of the Natural Gas Act (NGA) and Part 157 of the Commission's regulations requesting authorization for its Kosciusko Compressor Station Replacement Project (Project) located in Attala County, Mississippi. Texas Eastern proposes to abandon by removal fourteen existing natural gas-fired reciprocating engine-driven compressor units, totaling 35,000 horsepower (hp) based on National Electrical Manufacturers Association (NEMA) rating, and related appurtenant facilities at its Kosciusko Compressor Station (CS) and install three natural gas-fired turbine-driven compressor units, totaling 42,720 hp based on International Organization for Standardization rating<sup>1</sup> and auxiliary equipment. The Project is designed to ensure the continued safe and reliable operation of the Kosciusko CS while meeting all currently applicable air emissions requirements and does not involve any change in design capacity for Texas Eastern's system. Texas Eastern estimates the total cost of the Project to be \$225.9 million and requests for a pre-determination of rolled-in rates, all as more fully set

---

<sup>1</sup> Texas Eastern states that equivalent NEMA-rated power output for the proposed compressor units is approximately 37,500 hp.

forth in the application which is on file with the Commission and open for public inspection.

In addition to publishing the full text of this document in the Federal Register, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the Internet through the Commission's Home Page (<http://www.ferc.gov>). From the Commission's Home Page on the Internet, this information is available on eLibrary. The full text of this document is available on eLibrary in PDF and Microsoft Word format for viewing, printing, and/or downloading. To access this document in eLibrary, type the docket number excluding the last three digits of this document in the docket number field.

User assistance is available for eLibrary and the Commission's website during normal business hours from FERC Online Support at (202) 502-6652 (toll free at 1-866-208-3676) or email at [ferconlinesupport@ferc.gov](mailto:ferconlinesupport@ferc.gov), or the Public Reference Room at (202) 502-8371, TTY (202) 502-8659. Email the Public Reference Room at [public.referenceroom@ferc.gov](mailto:public.referenceroom@ferc.gov).

Any questions regarding the proposed project should be directed to Anish George, Manager, Regulatory, Texas Eastern Transmission, LP, Post Office Box 1642, Houston, Texas 77251-1642, by phone at (713) 627-5120, or by email at [anish.george@enbridge.com](mailto:anish.george@enbridge.com).

Pursuant to section 157.9 of the Commission's Rules of Practice and Procedure,<sup>2</sup> within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

## **PUBLIC PARTICIPATION**

There are three ways to become involved in the Commission's review of this project: you can file comments on the project, you can protest the filing, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is **5:00 pm Eastern Time on December 16, 2025**. How to file protests, motions to intervene, and comments is explained below.

<sup>2</sup> 18 CFR 157.9.

For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation (OPP) at (202) 502-6595 or [OPP@ferc.gov](mailto:OPP@ferc.gov).

## **Comments**

Any person wishing to comment on the project may do so. Comments may include statements of support or objections, to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be.

## **Protests**

Pursuant to sections 157.10(a)(4)<sup>3</sup> and 385.211<sup>4</sup> of the Commission's regulations under the NGA, any person<sup>5</sup> may file a protest to the application. Protests must comply with the requirements specified in section 385.2001<sup>6</sup> of the Commission's regulations. A protest may also serve as a motion to intervene so long as the protestor states it also seeks to be an intervenor.

<sup>5</sup> Persons include individuals, organizations, businesses, municipalities, and other entities. 18 CFR 385.102(d).

<sup>6</sup> 18 CFR 385.2001.

To ensure that your comments or protests are timely and properly recorded, please submit your comments on or before **5:00 pm Eastern Time on December 16, 2025**.

There are three methods you can use to submit your comments or protests to the Commission. In all instances, please reference the Project docket number **CP26-24-000** in your submission.

- (1) You may file your comments electronically by using the eComment feature, which is located on the Commission’s website at [www.ferc.gov](http://www.ferc.gov) under the link to Documents and Filings. Using eComment is an easy method for interested persons to submit brief, text-only comments on a project;
- (2) You may file your comments or protests electronically by using the eFiling feature, which is located on the Commission’s website ([www.ferc.gov](http://www.ferc.gov)) under the link to Documents and Filings. With eFiling, you can provide comments in a variety of formats by attaching them as a file with your submission. New eFiling users must first create an account by clicking on “eRegister.” You will be asked to select the type of filing you are making; first select “General” and then select “Comment on a Filing”; or
- (3) You can file a paper copy of your comments or protests by mailing them to the following address below. Your written comments must reference the Project docket number (**CP26-24-000**).

To file via USPS:

Debbie-Anne A. Reese, Secretary  
Federal Energy Regulatory Commission

Washington, DC 20426

To file via any other courier:

Debbie-Anne A. Reese, Secretary  
Federal Energy Regulatory Commission  
12225 Wilkins Avenue  
Rockville, Maryland 20852

The Commission encourages electronic filing of comments (options 1 and 2 above) and has eFiling staff available to assist you at (202) 502-8258 or [FercOnlineSupport@ferc.gov](mailto:FercOnlineSupport@ferc.gov).

Persons who comment on the environmental review of this project will be placed on the Commission's environmental mailing list, and will receive notification when the environmental documents (EA or EIS) are issued for this project and will be notified of meetings associated with the Commission's environmental review process.

The Commission considers all comments received about the project in determining the appropriate action to be taken. **However, the filing of a comment alone will not serve to make the filer a party to the proceeding.** To become a party, you must intervene in the proceeding. For instructions on how to intervene, see below.

## Interventions

Any person, which includes individuals, organizations, businesses, municipalities, and other entities,<sup>7</sup> has the option to file a motion to intervene in this proceeding. Only intervenors have the right to request rehearing of Commission orders issued in this proceeding and to subsequently challenge the Commission's orders in the U.S. Circuit Courts of Appeal.

To intervene, you must submit a motion to intervene to the Commission in accordance with Rule 214 of the Commission's Rules of Practice and Procedure<sup>8</sup> and the regulations under the NGA<sup>9</sup> by the intervention deadline for the project, which is **5:00 pm Eastern Time on December 16, 2025**. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

## **TRACKING THE PROCEEDING**

Throughout the proceeding, additional information about the project will be available from OPP at **(202) 502-6595** or on the FERC website at [www.ferc.gov](http://www.ferc.gov) using the “eLibrary” link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. For more information and to register, go to [www.ferc.gov/docs-filing/esubscription.asp](http://www.ferc.gov/docs-filing/esubscription.asp).
