SUPPLEMENTARY INFORMATION:

Annuitants who are enrolled in the Federal Employees Group Life Insurance (FEGLI) Program can cancel or reduce their coverage. The form, RI 76-30, ensures that an individual is fully informed about the effect of cancellation of FEGLI coverage. A cancellation of enrollment within the FEGLI Program will inhibit the annuitant from ever re-enrolling as an annuitant. A reduction of coverage within the FEGLI Program (Basic Life Insurance, Option B-Additional Insurance, Option C-Family Insurance) will prohibit the annuitant from increasing their coverage as an annuitant. A request is not processed until the signed form is returned to OPM.

As required by the Paperwork Reduction Act of 1995 (Public Law 104-13) as amended (44 U.S.C. chapter 35), OPM is soliciting comments for this collection (OMB No. 3206-NEW). OPM is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
