A. Overview of Information Collection

Title of Information Collection: Public Housing Agency Executive Compensation Information.

OMB Approval Number: 2577-0272.

Type of Request: Reinstatement with change of a currently approved collection.

Form Number: Form HUD-52725.

Description of the need for the information and proposed use:

Pursuant to the annually issued notice, most recently PIH Notice 2023-05, HUD collects information from all Public Housing Agencies (PHAs) that administer a public housing or tenant-based rental assistance program on the compensation paid to its employees. More specifically, under this information collection process PHAs are required to report the compensation paid to the top management official, the top financial official, and all employees who are paid an annual salary over the compensation cap imposed by Congress in HUD's annual appropriations (Level IV of the Executive Schedule). This reporting is similar to the information that non-profit organizations receiving federal tax exemptions are required to report to the IRS annually. Since PHAs receive significant direct federal funds, HUD has been collecting compensation information to enhance regulatory oversight by HUD, as well as by state and local authorities. HUD intends to collect one year of the compensation information once every three years and provides the collected information to the public. The compensation data collected includes base salary, bonus, and incentive and other compensation, and the extent to which these payments are made with any Sections 8 and 9 appropriated funds.

- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.
