SUPPLEMENTARY INFORMATION:

Addition

On July 11, 2025, the Committee for Purchase From People Who Are Blind or Severely Disabled (operating as the U.S. AbilityOne Commission) published an initial notice of proposed additions to the Procurement List. (90 FR 30634). The Committee determined that the service(s) listed below is suitable for procurement by the Federal Government and has added this service to the Procurement List as a mandatory purchase for contracting activity listed. In accordance with 41 CFR 51-5.3(b), the mandatory purchase requirement is limited to the contracting activity and location listed, and in accordance with 41 CFR 51-5.2, the Committee has authorized (NPA) as the mandatory source(s) of supply.

After consideration of the material presented to it concerning capability of qualified nonprofit

agencies to provide the service(s) and impact of the additions on the current or most recent contractors, the Committee has determined that the service(s) listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

Regulatory Flexibility Act Certification

End of Certification

1. The action will not result in additional reporting, recordkeeping or other compliance requirements for small entities.
2. The action may result in authorizing small entities to furnish the service(s) to the Government.
3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501-8506) in connection with the service(s) added to the Procurement List.

End of Certification

Accordingly, the following service(s) are added to the Procurement List:

Services(s)

Service Type: Civil Engineering Base Maintenance Support

Mandatory for: US Air Force, United States Air Force Academy (includes Farish Recreational Area and Bullseye Auxiliary Airfield), USAF Academy, CO

Authorized Source of Supply: Skookum Educational Programs, Bremerton, WA

Contracting Activity: DEPT OF THE AIR FORCE, FA7000 10 CONS LGC

The Committee finds good cause to dispense with the 30-day delay in the effective date normally required by the Administrative Procedure Act. See 5 U.S.C. § 553(d). This addition to the Committee's Procurement List is effectuated because of the expiration of the Civil Engineering Base Maintenance Support, U.S. Air Force Academy, USAF Academy, CO contract. The Federal customer contacted and has worked diligently with the AbilityOne Program to fulfill this

service need under the AbilityOne Program. To avoid performance disruption, and the possibility that the U.S. Air Force will refer its business elsewhere, this addition must be effective on December 14, 2025, ensuring timely execution for a December 15, 2025 start date. The Committee published an initial notice of proposed Procurement List addition in the Federal Register on July 11, 2025 (90 FR 30634) but did not receive any comments. This addition will not create a public hardship and has limited effect on the public at large. Rather, this addition will create new jobs for other affected parties - people with significant disabilities in the AbilityOne program who otherwise face challenges locating employment. Moreover, this addition enables the Federal customer to continue operations without interruption.

Michael R. Jurkowski,

Director, Business Operations.
