SUPPLEMENTARY INFORMATION: The Department of Labor, as part of continuing efforts to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies an opportunity to comment on proposed and/or continuing collections of information before submitting them to the OMB for final approval. This program helps to ensure requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements can be properly assessed.

The Department of Labor's Veterans' Employment and Training Service (VETS) administers funds for the Jobs for Veterans State Grant (JVSG) to each state, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands on an annual fiscal year basis. These non-competitive, formula-driven grants are codified under Title 38, United States Code, (38 U.S.C.) Section 4102A(b)(5):

“Subject to subsection (c) make available for use in each state by grant or contract such funds as may be necessary to support—(A) disabled veterans' outreach program specialists appointed under section 4103A(a)(1) of this title, (B) local veterans'

employment representatives assigned under section 4104(b) of this title, and (C) the reasonable expenses of such specialists and representatives described in subparagraphs (A) and (B), respectively, for training, travel, supplies, and other business expenses . . .”

Conditions for the receipt of funds are outlined in Section 4102A(c)(2)(A):

“A State shall submit to the Secretary an application for a grant or contract under subsection (b)(5). The application shall contain the following information:

(i) A plan that describes the manner in which the State shall furnish employment, training, and placement services required under this chapter for the program year, including a description of—(I) duties assigned by the State to disabled veterans’ outreach program specialists and local veterans’ employment representatives consistent with the requirements of sections 4103A and 4104 of this title; (II) the manner in which such specialists and representatives are integrated in the employment service delivery systems in the State; and (III) the program of performance incentive awards described in section 4112 of this title in the State for the program year.

(ii) The veteran population to be served.”

In addition, Section 4102A(f) requires performance accountability for services provided under the JVSG, and VETS has determined that states’ performance goals for participant outcomes are an appropriate component of the state plan.

This ICR collects the required information for the submission of JVSG State Plans and Modifications. The information covered includes the state's plan for furnishing employment, training, and placement services under 38 U.S.C. Chapter 41, including their performance goals for Disabled Veterans Outreach Program staff services to eligible veterans and other eligible persons.

This information collection is subject to the Paperwork Reduction Act (PRA). A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB

approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.
